

MATCHING FUNDS GRANT PROGRAM

Applications are only being accepted for facilities in the United States at this time. The project area must be at least 500 sq ft. New and existing facilities may apply, but funding for the other aquatic design components must be secured by the end of a calendar year unless otherwise agreed. If funding is not secured by the end of a calendar year, contracts must be renegotiated. Projects for awarded grants must be installed within 365 days of application acceptance and contract signature.
